

# Community Clean Water Summit

## Your Neighbors are doing it, why not you?

If you've been looking for an opportunity to "think globally, but act locally," in Montgomery County then mark your calendars for the Community Clean Water Summit on February 26, 2011 and show your support for the local streams in your area. They need your help!

Join us for a fun filled day of networking and volunteerism. Meet with local environmental leaders who are working to make Montgomery County a cleaner and healthier place to raise a family. **Join your fellow neighbors** in the rewarding art of being a good stream steward, learn how you -- yes, you! -- can make a difference in the health of the streams near your home and make new friends in the process. There will be opportunities throughout the summit to speak with numerous community organizations involved in the cleanup of our local streams.

**Date:** February 26, 2011  
**Time:** 8:00am-1:30pm  
**Light Breakfast will be served**  
**Attendance is free but you Must Register for the event by visiting:** <http://clean-water-summit.eventbrite.com>

Learn how you -- yes, you! -- can make a difference in the health of the streams near your home and make new friends in the process. There will be opportunities throughout the summit to speak with numerous community organizations involved in the cleanup of our local streams.

**Don't miss your chance to be a part of this local movement!**

Yes, you can...

...make a difference!

### The Speakers:

**Bob Hoyt**, Director, [Montgomery County Department of Environmental Protection](#)  
**Eric Eckl**, [Water Words That Work, LLC](#) provides "Visions for a cleaner and healthier community"  
**Davey Rogner**, [Pick Up America](#), takes his local story and shows you how you can become a (trash) pickup artist to benefit your community  
**Stu Schwartz**, [University of Maryland, Baltimore County](#), delves into community stormwater solutions  
**Mary Ellen Olcese**, [River Network](#), will advise citizens who are interested in forming a watershed group in their area, just what it takes to be an organization.

**Participate in Community Leader meetups featuring:** [Friends of Sligo Creek](#)  
[Neighbors of the Northwest Branch](#)  
[Friends of Rock Creek's Environment](#)  
[Little Falls Watershed Alliance](#)

Get to know these watershed groups and who's leading the charge to clean up your local stream -- and how you can do your part to make a difference, too. If there is no group in your area, form one!

**Take Action in your Community!**

**NOTE: Door prizes from local vendors will be present, along with special pricing on home water saving kits.**
